

12th Knight North Penn High School Football Fundraiser 5th Annual Trivia Night

What is a Trivia Event?

A trivia event is an informal, fun, competition where teams battle to see who has the greatest knowledge of matters trivial. General knowledge and trivial interest questions are asked by a trivia host. The winner is the team that, at the end of the event, has correctly answered the most questions.

How does a Trivia Event work?

The event is quite simple. The event is run in 10 rounds. During each round, the host asks a series of 10 questions and the teams of participants record their answers on their score sheets. At the conclusion of each round, the sheets are collected and marked by the grading judge(s). Once all answer sheets for the round have been collected, the answers to the round of questions are provided and the team scores for the round are posted. Then the next round of questions commences. At the conclusion of the 10 rounds, total scores are added up and prizes are awarded to each member of the winning team.
